

ETHDam

9–11 MAY 2025 IN AMSTERDAM

ETHDAM III

Welcome to the third edition of ETHDam, our annual conference and hackathon hosted in the heart of Amsterdam.

We gather the best builders and developers to build and discuss everything about Privacy, Security and AI.

Ps: We are not afraid to be political.

THE TLDR

- 700 attendees and hackers
- 48 hours hackathon
- 2 conference stages
- Sponsor booths
- Exciting bounties
- Food trucks
- Hackathon online bootcamp
- Hacker sleep over
- Speed dating
- Bowling, laser game, karaoke & mini golf

THE VENUE

This will be the 4th event that we will be hosting at **Pakhuis de Zwijger**. A cultural landscape in the heart of Amsterdam.

Partners can expect quality service from the staff, technicians and delicious catering services, which we've battle tested over the years.

Excellent wifi for everyone to build and network, and the possibility to send merch in advance for our partners.

THE CONFERENCE

Vetted keynotes, panels and debates to discuss the hottest topics, specifically in Privacy, Security and AI.

- Main stage: keynotes and panel discussions. Recorded and livestreamed.
- 2nd stage: technical talks and workshops. Recorded.

THE HACKATHON

48 hours hackathon dedicated to
Privacy, Security and AI

- ETHDam online **Bootcamp**
- IRL speed dating to facilitate team formation
- Devs can **sleep-over** on Friday and Saturday
- Dedicated Mentors & Judges
- **Bounties** and prizes are managed by the hackathon partners

ETHDAM ONLINE BOOTCAMP

Hosted 1 week prior to make online connections, prep the hackers and level up skills to make the most out of ETHDam

- Online workshops, AMAs from our hackathon partners
- Dedicated sessions to facilitate hackers.

OTTER TRACK

A special track to showcase and promote builders and early stage projects looking for growth & visibility.

- Panel of Otters
- Compete for Glory
- Counter the short term effect of building only for the hackathon
